TRIPLE VOTES

Only Five More Days Left for Candidates to See Their Friends and Get Their Subscriptions Before the Big Triple Vote Offer Closes-Another Candidate Enters Roll of Honor Ranks.

The big vote days are rapidly being enveloped in the past. Just five more days of big votes

Then vote values will drop heavily and they will keep dropping heavily until the end of the contest. Now you are after votes-that's what you have to give us in exchange for the big E.-M.-F. Touring Car or one of the other valuable prizes offered by the Register. When you bring in a subscription to the contest editor he gives you votes for it—and you certainly want the greatest number of votes for that subscription that you can get. Now if you bring in a new one, two or five-year subscription to the Daily Register before next Saturday night, February 17, you will be given more votes for one of these subscriptions than will ever be given

again during the contest.

Go after this class of subscriptions during the next five days. Make a specialty of getting new yearly subscriptions between now and next Sat-urday night and see what a pile of votes you will have. It's a question of the number of votes you have at the end of this contest and not of subscriptions.

And keep in mind that this is positively the best offer that you will get. Just watch the big drop that votes will take after next Saturday night. This is all being printed as a forewarning to all those who feel inclined to "lay off" a few days, You'll have plenty of time to "lay off" after next Saturday night without doing so

next Saturday night without doing so much injury to yourself. If you have piled up a fair vote already, don't for a minute imagine that you can afford to sleep while your competitors are piling up votes during this offer and for pity's sake don't let anybody tell you that a better offer will come up before this contest ends.

Joe Morales of Fullerton Says He is Loser \$360 by Reason of Theft Yesterday

About a week ago, Eliyas came to Fullerton and called upon the Morales family. He had formerly worked for the family and they thought a good deal of him. Naturally when he came to visit with them last week they were glad to see him. He had been in Utah and just returned.

Yesterday afternoon the family was invited to a party at a friend's home, and they thought nothing of leaving Eliyas at home. They did not know that he knew anything about ever, they noticed the money was gone, and also Eliyas. Naturally

ANAHEIM SOCIAL AFFAIRS IN LOS ANGELES TIMES

The most delightful social event in the history of the Ebeh Club of this city took place Saturday afternoon when a 1 o'clock luncheon was served by the losing side in the membership contest. The decorations were car ried out in the white and green colors, those being the colors of the two sides during the contest. After an hour of social intercourse at table, Miss Hattie Spencer, president of the club, acting as toastmistress, gave an outline of the history of the Ebell Society of Anaheim, after which she introduced Mrs. A. J. Waters, state president of the Federation of Women's Clubs, who interested the members of the club by a charming talk on her work. Toasts serious toasts dignified, toasts humorous and toasts witty were given. At the close of the dinner all repaired to the reeption hail, where the state officers were met and new members made ac quainted.

Tuesday, Feb. 13, will be a red letter day in the history of the Ana-heim W. C. T. U. The union will be entertained at the country home of Mrs. D. Gervais on South Los geles street. The state vice-president, Mrs. Lucy Blanchard, will be in atendance and is to address the members. The meeting will also close the membership contest campaign. Musical selections will add to the afternoon's enjoyment.

Joseph Dauser celebrated his seventieth birthday last Sunday and was the honored guest at a dinner party at the home of his daughter, Mrs. Frank Baum, on North Los Angeles street. Aside from local relatives there were out of town guests from Los Angeles and included Ben Dauser and wife and daughter, and Mrs. A. Schumacher,

WATER

For irrigation and domestic purposes

is something you need to be about before investing in land. We have told you about the soil and the products of the YUCAIPA Valley land, but we fear you do not fully appreciate the valuable water system. The supply is by gravity from the never failing streams from the melted snows of old "Grayback," conveyed in steel pipes to an immense reservoir, covering eight acres with an average depth of thirty-two feet. This is not only for storage purposes but for distribution as well, relieving the pressure and making the water available at all times. From the reservoir the water is conveyed in steel pipes to the proper point on every ten acre tract. No flumes, no open ditches. Then the water-the very best-is there for domestic purposes. No wells, no windmills, no extra expense. And the obsolute ownership of the water stock goes with the land. The ranch owners constitute the water company, making a purely mutual company. The supply is ample and never failing. Big Red Apple Land. Also land for all kinds of products. Sold on easy payments. One day is all the time it takes to make the round trip. You ought to see this valley right here Southern California. We make trips every week. Go with us. Phone 701.

Santa Ana Team Defeated Long Beach Last Saturday by 79 to 52 Score

Ana High athletic warriors gone on Beachers and twice returned with a pocket were letters addressed to Anfresh scalp dangling from their belts. aheim. track warriors sent their figurative enemies to a figurative happy hunting ground, to a score of 79 to 52.

So far as time in the track events against Arthur Pefley. The defendant is a resident of Ventura county were concerned, the meet was not "whirl-wind," but from Santa Ana's ocint of view the ease with which her boys ran away with the points howling success.

The big crowd of Long Beach root ers that lined the bleachers had lit tle chance to show what they could do in the line of rooting, as little was left for them but to take defeat as "good losers," which they did. The Santa Ana boys are loud in their praise of Long Beach High sportsmanship.

The meet opened with Long Beach aking first in the "50," while Youngnan and Ec Lacy took second and Barker and Youngman tool third. first and second in the ball throw Bates and Atkinson finished second and third in the mile, while Dodd of Long Beach, who won the state enampionship in that event last year aid not even place. Barker Youngman took first and third in the discus and that added six more points to the collection. West ded with a Long Beacher for first in the 120 hurdles and Schenck took third Shorty" Smith led the field in the '440," while Barker, Ec Lacy and "Shorty" grabbed all three places in the shot-put. "Chilly" Swanner tool first in the pole vault and Foutz tied for second

The best Santa Ana could do in he "100" was a third by Ec Lacy Constipation, tight c'othing, and but in the broad jump second and third came her way by Youngman and Ec Lacy, the "Texan" losing first by only a quarter of an inch ful remedy in tablet form, that brings Foutz and Wilcox landed second and third places in the 220 hurdles, and or suppositories. This guaranteed Youngman first in the 220 3ard dash remedy is HEM-ROID, sold by Rowley Bates and West second and third in the 880, while all three places in the high jump went to Santa Ana. Me Phee, Sam Lacy and "Shorty" Smith ieing for first place at 5.6. This record could easily have been raised to 5.8 had it been necessary to win

The relay was a beauty. One of he prettiest races of the day was the first 220 of this race, when Rob inson distanced his man by 50 feet Ec Lacy and Smith increased this lead slightly, giving Youngman a big handicap for the last lap, which he won easily.

Next Saturday the team goes to Diego. Last Saturday Long Beach beat San Diego 66 to 56, but as San Diego is strong in some event as Santa Ana, the result isn't at all 'doped" by the comparative scores.
